Foreword

SEEDS OF DESTINY

The bits and parts of knowledge
implanted in the God-given soil of a young mind
verily are the *seeds of destiny*.
No work on earth can be wrought by the might of man
till first, from the seed of an idea,
it has been fashioned in the mind.
Some minds remain but barren fields forever;
others nurture as the Mother Earth
the seeds of destiny that mould the lives of millions.
The granaries of the class of '55 are builded
and ready for the reaping.
Our fields of grain lie golden in the summer sun.
Soon we must go forth to sow our choicest seedlings upon
the landscape of the world.
We trust the quality of our harvest
will attest with honor our labors in these fields
and mark down well our gratitude
for the priceless *seeds of destiny with which we depart*
the beloved acres of our Alma Mater.

They Plant The Seeds of Destiny

Wise, skilled, resourceful,
ever devoted to our physical and spiritual welfare
of such quality are the tools
and facilities they provide
that they have brought to Columbus
and to West High School
educational opportunities
which rank second to none in the land.

From sunup into the night-time
they labor mightily in the windswept plateaus of our minds
ever seeking fertile soil
in which, hopefully, to lay the seeds
whose golden harvest may yield anew
more seeds of destiny.

CLASS OFFICERS

Although together for two years prior to our senior year, the January class of 1955 saw no organization until the spring of 1954 when Bob Boldt, Bill Cline, Jane Lloyd, and Diane Patton were elected president, vice-president, secretary, and treasurer, respectively.

The first class meeting took place before school had dismissed for summer vacation.

Shortly after school convened in the fall each class member was elected to one of the following committees: decorating, entertainment, and publicity, and class business was undertaken in earnest.

An outdoor movie was sponsored by the class at the Miles West Broad Drive-In on October 31 and additional expense money was raised through the sale of name cards, invitations, and collection of class dues. Our social activities were launched with the Mixer on December 2. As in the past an air of informality prevailed.

The Senior Banquet was held on January 12 in the cafeteria which was followed by the long awaited prom in the gym on January 19.

Baccalaureate took place on Sunday, January 23, at Hoge Memorial Presbyterian Church and our commencement was held on Wednesday, January 26, at 8 p.m. in our own auditorium.

As we take leave of our beloved Alma Mater, happy memories go with us of those carefree days of learning, playing, and of growing up, and we know that our lives have been greatly enriched within these walls.

WEST HIGH SCHOOL
WISDOM HONESTY SINCERITY

ALMA MATER

As towards the west the constant sun proceeds
Day after day across the sky,

So do our hearts hold true to you,
West High, West High, West High.

Men view the sun in many a distant land,
His face still westward in the sky;

Though we should go as far, we'll love
West High, West High, West High.

And 'til the sun forgets his ancient goal
And seeks a new path through the sky,

Our loyal hearts shall beat for you,
West High, West High, West High.

CLASS OFFICERS

The June Class of 1955 has come to the end of the happiest year in our high-school career. The officers of the class who have directed many activities are Dana Deshler, president; Jim Pruden, vice-president; Judy Swartz, secretary; and Marjorie Hunyady, treasurer.

After the first class meeting, it was decided to hold the Senior Mixer on November 19, in the gym. All seniors dressed informally and spent the evening square dancing and generally having fun.

Funds for the class were raised through the sale of name cards and by each member paying a special fee. This money was used to promote the senior social functions.

The prophecy for the class was read at the Senior Banquet which was held in the cafeteria. Memories of those last important days; the Prom on June 1, Baccalaureate on Sunday, June 5, and finally graduation, June 8, will not be soon forgotten.

We realize that we have come to the end of a phase in our lives, that all the happy times within these halls cannot be re-lived. But we also know that our loyalty will always be to West and to our Class of 1955.

At the meeting on January 19, Mr. Gene Fullen, well known disc jockey of WBNS Radio and TV, spoke to the club about little known facts of television.

The officers who planned and directed these activities, with the assistance of the faculty advisor, Mrs. Kittel, were Patti Hixon, president; Alice Rice, vice-president; Sharon Robinson, secretary; Harriet Hunter, treasurer; and Barbara McKinley, publicity chairman.

Original pictures have also been hung in the main office.

With the aid of Mr. Teichert, art instructor and advisor, students design and construct practically all posters and display boards used by clubs and organizations around the school.

To help spread the Christmas spirit at West this year, the club was responsible for decorating the windows and front of the auditorium with murals.

Members of the Irvin F. Young Chapter of the Future Teachers of America, with the aid of their faculty advisors Mrs. Frances Davis, Miss Pauline Sparrow, and Mr. Herbert Schneider, have spent the year learning more about the opportunities of a teaching career and trying to cultivate qualities essential in a good teacher.

Practical experiences in teaching were offered to members as a project when they taught at Highland, John Burroughs, Mound Street, and West Broad Street Elementary Schools and Starling and West Junior High Schools while the teachers attended a meeting called by the Superintendent.

The social highlight of the year was the "Apple Polishing Tea", given in honor of the teachers on October 12, in the school library.

Many students at West had fun at the Mardi Gras Carnival and Dance, January 27, sponsored by the French Club in conjunction with the Spanish Club.

This year the Spanish Club, under the direction of Mrs. Harold, has participated in many activities in and around school.

The first major event of the year was a Christmas party at the home of Lu Ann Witt on December 16. At this party a round-robin letter was written to Larry Miller who is in the tuberculosis hospital.

Next came the Mardi Gras Carnival which was sponsored with the French Club on January 27.

The West High Spanish Club also participated in the All-City Spanish Party at South High School on April 1.

The last event of the year was the annual Spanish-French Club picnic held in May.

GIRLS' ATHLETIC ASSOCIATION

Members of the G.A.A. enjoy many diversified activities, such as their Christmas party and gift project for the State School, the "Winter Wonderland" banquet at Pomerene Hall, honoring the January graduates, and the May farewell banquet for June graduates.

Character, sportsmanship, and leadership are three of the requirements for admission into the G.A.A. Parliamentary procedure is followed in conducting the regular meetings held on the first Wednesday of every month, with Miss Helen McCormick as advisor.

One of the highlights of the year is the Girls' Basketball class teams, chosen following try-outs. Volleyball and softball are also on the program and awards are given to the winning class teams.

JUNIORS WIN TOURNAMENT

Miss Alyce Athey reigns as Miss Senior.

The annual Girls' Basketball Tournament was held in the West High Gym on February 4, 1955. In the two games played the Sophomores won over the Freshmen, 31 to 10, and the Juniors were triumphant over the Seniors in a close thriller with a score of 22 to 20. During the half-time ceremonies, Alyce Athey, Miss Senior, was escorted by Don Spradling and Russ Nippert and was presented a bouquet of white mums and a gold bracelet.

LATIN CLUB

The annual Roman Banquet highlighted the year's activities for members of the Latin Club. Students dressed in Roman garb, ate foods similar to those the Romans ate, and in general followed the customs of ancient Rome for an evening. Miss Margaret Campbell, former teacher at West for many years, was the honored guest. This banquet and the other meetings of the club helped to promote its purposes; to better acquaint Latin students with the customs and myths of the people whose language they study.

Mrs. Evans, Latin teacher and advisor, and the officers; Larry Edelman, president, Carolyn Stickel, vice-president; Carolyn Decker, secretary; and Lowell Smith, treasurer, also directed other interesting activities such as a special Christmas program on December 16 and the observance of Latin Week in April.

SOCIALITES CLUB

Mrs. Margaret Kirk, Advisor

The Socialites Club is a new club at West, open to all senior high students, that sponsors dances for the school. The first project was the dance after the North basketball game, January 7, 1955. This made a good start for the new year.

Meetings are held on the second and fourth Thursday of every month at eight o'clock in the morning in room 101 to discuss new ideas for dances. Our faculty advisor is Mrs. Kirk. Officers of the club are Alice Rice, President, Ralph Wheaton, Vice-President, Gayle Lamb, Secretary, and Mary Jayne Graham, Treasurer.

The club held its fall initiation on October 13 and welcomed fifteen new members. A picnic was held following the initiation and various parties were also held throughout the year.

The Triangle Club is composed of drafting students with a "C" or better average in drafting. At the end of each year the club presents its traditional "Triangle A" awards to students that have maintained a straight A average throughout the year. The club also presents to the outstanding senior draftsman the "Triangle A" trophy.

VICTORIOUS CHRISTIAN YOUTH

Mrs. James Will,

The club meets every Wednesday morning at 8:00 in room 317. Meetings are similar to youth fellowships and include group singing, devotions, a musical number, and sometimes a special speaker or a Bible quiz.

Reverend Everst, the Singing Pastor on WTVN-TV, was featured at one of the meetings. Reverend Wines, a missionary from Africa, also addressed the group.

At Christmas, baskets of food and clothing were given to needy families.

In addition to its social activities and participation in service projects, the Y-Teens gave spiritual guidance to the student body throughout the year in presentation of the Thanksgiving Assembly on November 24, World Day of Prayer on February 25, and Eastern Lenten services in the first week of April.

Instances of service to the community and school were shown by the Y-Teens' willing assistance in the Links project, the Lily Parade on April 2, the Forget-me-not and Poppy Sales, and football concessions.

Outstanding social events of the year were the Halloween Dance on October 30, the Tinsel Twirl on December 23, and the annual Y-Teen Square Dance held in the spring.

EQUESTRIAN CLUB

The West High Equestrian Club is made up of thirty-five members, which we have set as our maximum. The Club's faculty advisor is Earl C. Reed. Some of the club calendar highlights have been trips to the Kentucky Derby at Louisville, Kentucky, and the Brown Jug held at Delaware, Ohio. During the summer, meetings were held at the house of the president, Harriet Hunter. Trips were also made to Ash Cave, Old Man's Cave, and Rock House. On May 28, the club plans to go to the Preakness at Baltimore, Maryland, and again this year to the Kentucky Derby.

Our first meeting in the fall, September 23, 1954, opened the club to membership to the boys of West. On November 18, 1954, we had our official Hi-Y Induction and Rededication Ceremony at Hillcrest Baptist Church. The Hi-Y published football programs for the football season. Members attended the Hi-Y, Tri-Y Conference at Athens, Ohio, in December. At this date we are ahead of all clubs in the city on the yard-stick. We hope to sponsor a volley-ball game. We also have a basketball team in the Hi-Y church league. World service projects, checkroom at basketball games, and participation in Youth and Government at Denison University are some of the many things West Hi-Y sponsors.

At the Homecoming Dance held November 6, Queen Shirley and her court were honored and crowned with flowers.

Although we had high hopes for our 1954 Varsity Football team, they wound up the season with a 2-7 record. In the opening game at Marion the Cowboys were defeated in the last 22 seconds. West showed good team work as they beat Arlington but lost to East, the City League Champions. Our team was triumphant over South in a wet game played in mud and pouring rain. However, they ended the season by losing the next five games.

Assisting Coach Pemberton this year was Fred Heischman.

Dan Greer and Dana Deshler were named to the Dispatch, Citizen, and Journal All City League Teams at defensive guard and end positions respectively. Greer made the 1953 honor squad and continued to turn in fine performances despite the team's record.

In 1954 the Cowboy's Reserve Football team ran true form. Having won the title in 1950 and 1951, involved a tie in 1952, and winning it again in 1953, they w one of the best in the league. The West High secon finished the season with a three win and three ties reco the only undefeated team in the league.

In non-league play they were one and one, as Arling handed them their only defeat in the first game of season, and they rolled over St. Charles 34 to 0.

Their three tie games were with the top contenders the title, Linden holding them scoreless, Central allow them 6 points as they also scored 6, and East held on t 12 to 12 tie on a muddy field.

Varsity Basketball

West's Cowboys, under the coaching of Fred Heischman, wound up the season with a respectable 12-7 record all games and a fourth place rating in the City League. West lost its opener to East, who later became the number one team in the state, but a month later won the St. Charles Holiday Tournament for the third straight year. The Westerners went to the quarter-finals in the district tournament before losing out to Bexley. Dick Furry was on every All-City team, and Jim Pruden made two of the All-City second teams.

Reserve Basketball

The West High Reserves, after winning four straight league games and leading the pack, lost three quick ones to Linden, Central, and a champion East five and were still able to capture second place this year with an impressing 9 and 3 record. Mid-year graduates that made the team and are not pictured here are: Wayne Robbins, Larry Price, Al Nichols, Bob Snedegar, and Kenny Clapsaddle, the latter two breaking into the starting line-up. An interesting side-light is that the Cowboys, who finished with a 10 and 5 over-all record, scored only 535 points to their opponent's 527.

Cross Country Team

The West High Cross-Country team had the best season in their history this year. They won all of their dual meets, the Bowling Green Relays, the District Meet, and the A. A. U. Also they were second in the City Meet. The biggest feat, however, was capturing second place in the State Meet.

Ralph Wheaton, Tom Coffman, Art Slate, Jack Madden, and Sherwood Waltman were the main cogs of the team. Ralph Wheaton set a new West High record of 10:26 for the two-mile run.

It also gave assistance in Open House, sponsored by the P. T. A., Career Day, and they handled almost all school elections. The Student Council sponsored noon dances for the student body which were held quite frequently throughout the year. Among their projects this year were the installation of a telephone in the first floor hall, and the purchase of a tape recorder to be used with the public address system. A unique traffic committee was established to eliminate reckless driving around the school grounds. Mr. F. E. Bonar is the faculty advisor.

Even the smallest skit finds the stage crew behind the scenes preparing equipment, painting the necessary backdrops, operating the lights, drawing the curtain at the proper times, and even sweeping and cleaning the floor. Annual Editor, Bernice Uhl, discusses layout plans with Assistant Editor, Donley Wray.

First plans for the yearbook started over a year ago when the editor was appointed and layout ideas were considered. In the fall, staff meetings were held to decide such important questions as the theme, art work, type of cover, paper, and printing to be used in the book, and then work began. Picture schedules, identifications, writing copy, planning feature pages and checking every little detail.

Members of the staff learn the value of being reliable and dependable while preparing a book perhaps more vividly than any other lesson. The time, planning, and whole-hearted effort are all a part of the work until the last page has been sent to press and we sigh and wait for the copies of this, our visual memory of wonderful days at West High School, the 1955 annual.

The Business Advertising Class solicits Columbus businessmen to sell advertisements for the school yearbook and paper, the Occident. Profits from these contracts provide funds for the publication of the Journalism Department.

Competition in meeting the quota teaches the students responsibility and it provides them with experience in dealing with business people.

Hard work and enthusiasm are the two prominent requirements for each member of the class.

The Occident is published ten times a year by members of the Journalism Class.

Story assignments, interviews, writing deadlines—all of these are a part of each journalist's daily task.

Although tempers often quicken as deadline approaches and last minute facts have to be checked, the thrill of seeing one's story in print is well worth the struggle.

Perhaps nowhere else in school does a student learn the value, and indeed the necessity, of meeting his assignments on time as he does in journalism. While the editor makes all assignments and indicates all deadlines, each staff member realizes that the publication of the paper depends upon his contribution. Because of this interdependence, many lasting friendships are made among staff members.

January Class Play

"Rehearsal for Christmas" was presented to the Junior and Senior High assemblies on December 23 by members of the January Class under the direction of Mrs. Evelyn Hall.

The opening scene of the play revealed several stage crew members and their manager, Johnny, in the midst of preparation for a forthcoming Christmas production. In his confusion and worry over all the things which have gone wrong, Johnny dejectedly asked: "What's the real meaning of Christmas?"

In the absence of his helpers, Johnny fell asleep under the Christmas tree and dreamed that the Spirit of the Christmas Tree became the narrator of his dreams and answered his question.

He has visions of carolers, of Father Mohr and Franz Gruber composing "Silent Night," of the Christmas Star, of the three Wise Men, and of the most wondrous and beautiful sight of all: the Nativity.

Bill Cline and Dave D'Amico discuss the real meaning of Christmas during the rush of preparing for the annual Christmas play.

James Vincent and Bill Cline portray two of the three Wise Men who brought gifts to the Christ Child.

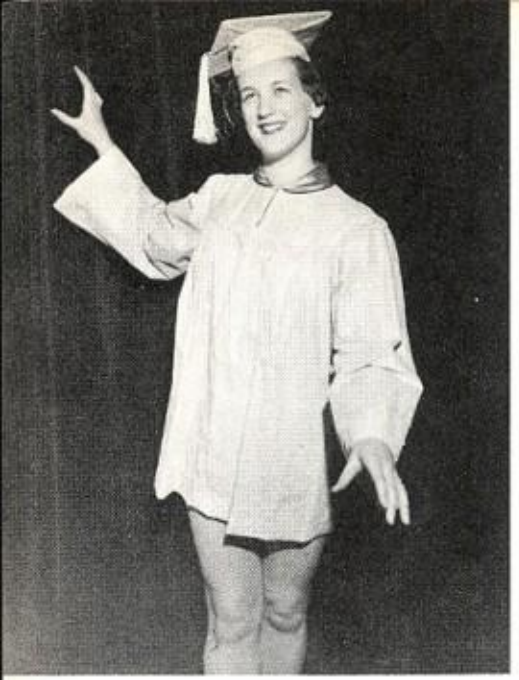
During dances, the band was directed by the student leader, Charles Hannan, who assumed all responsibility for the group. Mr. Barnard is the faculty advisor.
Members of the dance band are those who take music rather seriously and are willing to work hard and accept the responsibilities of a well-disciplined group necessary for such activities.

BAND VARIETY



Barbara Constans, first female emcee of the show since it originated sixteen years ago, poses in her costume as Professor of Astronomy for "Starlit Fantasy".

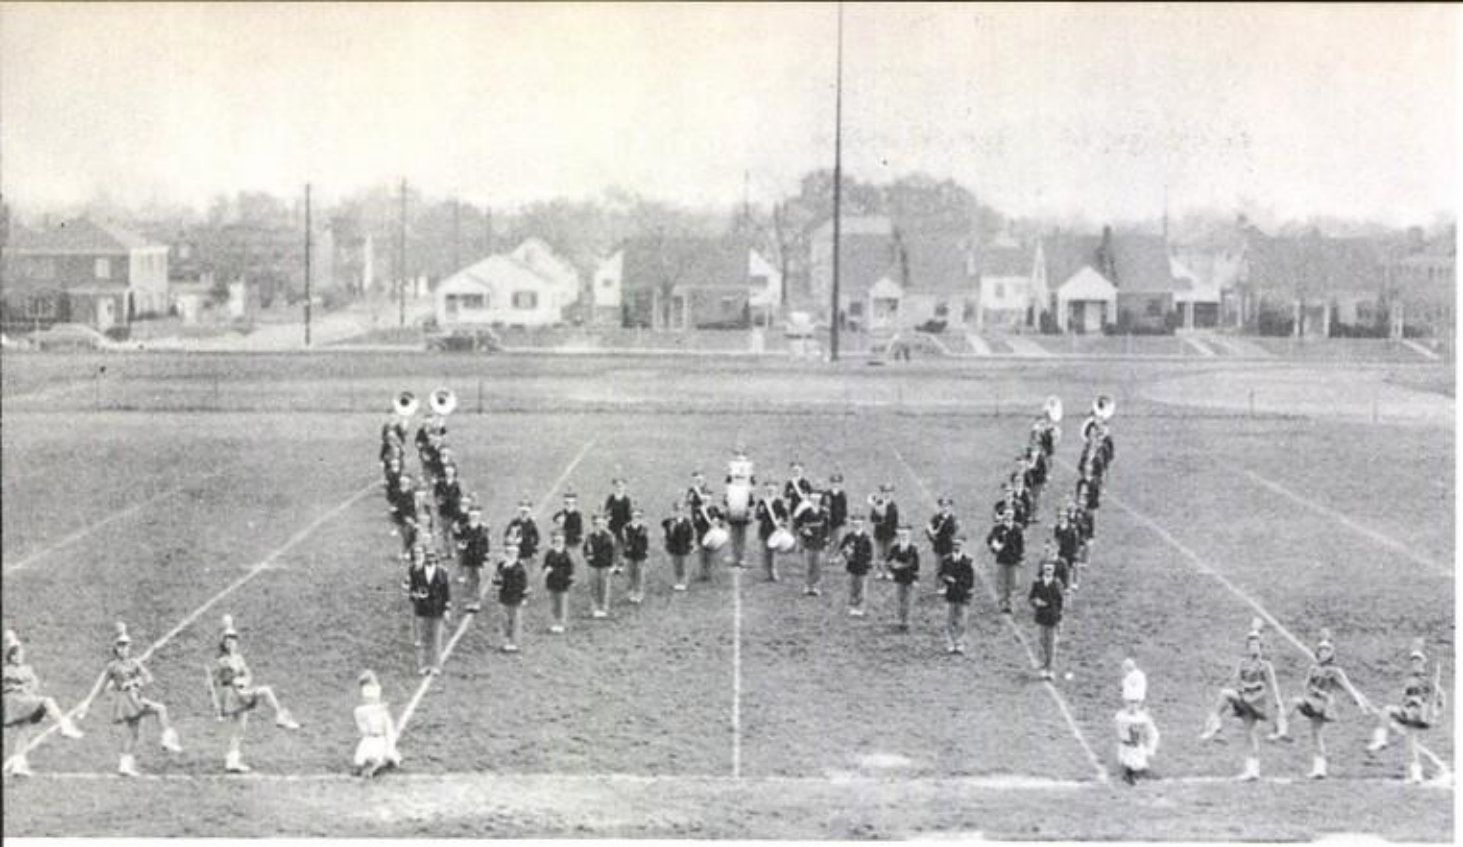
Floyd Love, Dana Deshler, and Fred Corcoran provide the laughs for the evening with their comical imitation of a quiz show.

Vicky Howells takes her bow after singi "Blue Moon".

Norman LaTorre, who has been in the show for four years, highlighted this year's performance with "The Song the Angels Sing".

One of the highlights of the spring was the sixteenth annual Band Variety Show held March 17 and 18. Early in the year a committee of officers began planning the theme, Starlit Fantasy, and selecting acts for this great production. Then came the hours of rehearsal for bands, orchestras, and special features.

When the curtain closed after the grand finale, everyone realized that this show had been one of the most superb performances of the year.



Marching Band

One of the fondest memories of all good Cowboys this year is "Rah rah for West High", as the West High Marching Band, led by the high-stepping Tom Bertman strutted onto Magly Field at each football game. Directed by Mr. Clair Barnard, the band performed at all but one of the football games including two consecutive homecomings, Central's at their athletic field on October 22, and ours with Canton Lincoln at Magly Field on October 29.

Their longest trip was to the Marion Harding game at Marion on September 17.

"Rags to Riches" was the title of their homecoming game performance and included among the modern Cinderella formations was a slipper pictured at left.

Under the direction of Mr. Clair Barnard this group of thirty-five members furnishes splendid music for the Band Variety Show, the Senior Class Play, the National Honor Assembly, Baccalaureate Service, and climaxes each semester by playing for the senior high June and January graduations.

Radio Department

The Radio Department came into being this year after literally hundreds of West High students had given freely of their time and talent in productions such as tax stamp shows and senior plays from which the profits were used to purchase and install radio equipment and the public address system.

Students in the radio classes receive much practical training in the different phases of program production including speaking, sound effects, and script writing. Their originality, patience, and hard work produced many excellent programs especially on holidays such as Thanksgiving, Christmas, Valentine's Day, the Lenten Season, and Memorial Day.

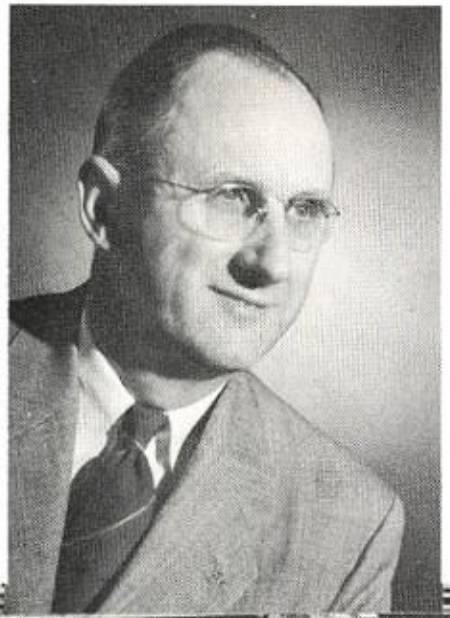
Track Squad



Mr. Rufus Glass,
Coach

West High has been very fortunate in having a fine track squad this year. Special recognition should be given the two-mile relay team as they set a new record of eight minutes; thirty-six and six-tenths seconds at the Springfield Relays on April 16. Coach Glass has also turned out a good reserve team this year.

One event of which West is very proud is the annual Hilltop Relays. Teams from all over the city of Columbus competed in the relays this year on May 10.

Graduating Class of 1955

Dear Students:

It has been a pleasure and a compliment to have served as " Official Photographer" for your graduation portraits and 1955 year book. We wish to thank each and every one of you for the fine cooperation extended to us during the picture-making period. It is through this cooperation that the 1955 annual is one of the finest published in the country by any High School.

We wish to thank the faculty, Occident staff, Editor and the Journalism department for their co-operation and assistance. The Occident staff has done an excellent job in the editing and writing of this year book and we are proud to have been selected by you to do the photography.

Mrs. Allen, myself and my staff extend heart-felt congratulatory good wishes, good health and good luck for a happy and prosperous future.

We have made many friends in this class and it is our aim to continue this warm friendship, seeing it grow with the years to come. We want you to stop in any time to say hello.

Again thanking you and wishing you Godspeed to the top of the ladder of success and the world of tomorrow, I am,

Sincerely,

J. Curtis Allen

What's your choice?

EVER think about working in some far away place? Like logging in Oregon? Lobstering in Maine? Farming in Iowa? Go ahead if you want to. Freedom to work in any locality is one of your American rights. And it's a right that people in some other countries wish they had.

Millions of people behind the Iron Curtain can't work where they choose. Communist bosses make them slaves where manpower is needed most. And if they do try to move someplace else, they're very likely to end up in a box car bound for Siberia.

What's *your* choice? Freedom, of course. But there's more to preserving our rights than just thinking about them. Communists over here would give us Iron Curtain country working standards if they could. They've done it every place else they've taken over.

If we want to keep our rights, like the right to work in any locality, we've got to work for them. One way is to speak up when we hear someone talking down our freedom. After all, a few extra words from each of us could guarantee our freedom forever.

TIMKEN

The Timken Roller Bearing Company

"The right to work shall not be abridged nor made impotent"

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

Freedom of worship
Right to secret ballot
**Right to know how your union spends your dues*
Freedom of speech
Freedom of the press
Right to criticize officials
**Right to know salaries of your union officers*
Freedom from search without warrant
Right to petition government for redress of grievances
**Right to know if your union officers are Communists*
**Right to know how your union is run*
